August 13: Luncheon - Castle Rock, the new "It Town"

Castle Rock is one of the 7 fastest growing cities in America, according to recent U.S. Census Data (May 2017). With an expected annual growth rate of about 6 percent per year, it is estimated that the Town population will reach 100,000 by 2060. With a growing hospital campus, the ACC Sturm Collaboration Campus, the Promenade, Meadows Town Center, downtown Castle Rock Riverwalk and Millers Landing all recently completed or currently being developed, it is undeniable that Castle Rock is becoming the new "it" town. Come and hear from the experts about what is going and coming next to Castle Rock.

MODERATOR

Marcus Notheisen, Vice President, Castle Rock Economic Development Council
